WIDE WORLD PHOTOS

The Space Needle and Monorail train were hallmarks of the successful World's Fair in Seattle, Washington.

Sabin oral vaccine was made available nationally and offered promise of complete immunity from all types of polio.

Left: Solid-fueled Minuteman, successor to more complex liquid-fueled ICBM'S, begins 4,000 mile journey from Canaveral. Others went into readiness in Montana.

Nuclear submarines USS Skate and USS Seadragon rendezvoused at the North Pole, hundreds of miles from open sea.

To a woman who has set a wonderful example for all who have been associated with her in any way . . . To one who is always willing to give of her time to help others. . . To one whose friendliness and loyalty have won for her a place of high respect, deep admiration, and warm affection in the hearts of the student body, the faculty, and the community. With deep appreciation for her service to us as a nurse and friend, we, the Senior Class, proudly dedicate this, the 1963 TOUCHSTONES, to our esteemed School Nurse, Mrs. Kirt.
